(Surely We belong to Allah and to Him Shall We Return.)

Free Bereavement Support and Muslim Burial Fund provided by CSMA Birmingham.

We help in burial planning and if possible contribute towards the burial for those who are eligible for Zakat or who have no family support.

CSMA Birmingham carefully assesses the individual needs and offers advice with grants, loans and raising money.

On average, a funeral in the UK costs £3,000 minimum and prices are increasing every year.
